Dennis Eagle sets sail for down under

Leading refuse vehicle manufacturer, Dennis Eagle has recently transported 41 new chassis to Australia for Western Star, a chassis distributor based in Queensland.

The order comprises a mix of 4 x 2 and 6 x 4 variants, with shipment due to be completed by Christmas. Once arrived, they are fitted with bodies, Cummins ISLe engines and Allison gearboxes, with the vehicles hitting the road in Australia in the spring.

Andy Graves, Technical Sales Engineer for Dennis Eagle comments: "The new chassis order with Western Star demonstrates the high regard that Dennis Eagle is held in across the world. We always strive to meet all our customers' delivery expectations and ensure that vehicles are exported as efficiently as possible and look forward to continuing to grow in the Australian market."
